

What is a School-Parent Compact?
Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Jointly Developed 5

The parents, students, and staff worked together and shared ideas to develop the school-parent compact. Teachers met with their subject area teams to design practical strategies for parents to use at home. Parents provided valuable feedback on their needs to help their students. Students met with their teachers to provide ideas for the compact. Meetings are held each year to review and revise the compact based on the school's academic achievement goals and students' needs.

Parents are welcome to provide feedback on the compact at anytime during the school year. Feedback will be collected and reviewed during the annual revision meeting with parents. Please call (912) 496-2360 or email Natalie Newvine, parent involvement coordinator at nnewvine@charlton.k12.ga.us to discuss the compact further.

Our Goals for Student Achievement

1A

District goal(s)

- Raise the academic challenge and performance of each student.
- Provide safe, orderly environments that support learning.
- Foster strong parental and community relationships.

School goal(s) and focus areas(s)

- Raise the academic challenge and performance of each student and thereby increase the number of students who achieve Level 3 or higher on the GMAS in all content areas by 2%.
- Implement Positive Behavior Interventions and Supports (PBIS) school-wide to help foster positive relationships between home and school.

Teachers, Parents, and Students—Together for Success
